## The Mayor's Missive

Howdy Cowboys and Cowgirls,

The shooting gods smiled upon the October shoot, the weather was perfect. The stages were a hoot, and it seemed that, a good time was had by all. For those of you who could not make the shoot or were out of town, we shot six stages, each of which had a close range or far range option. This worked out very well for everyone. We will do the same thing again at the November shoot so those who did not get a chance to try these stages can shoot them and let the board know what you think of them. Thanks to all the Nevada Ranger shooters who were there and the shooters from the other clubs who came and made the shoot a success.

For all future shoots we will be using the 50yard, wider range. More stages can be set up on that range for a great variety of shooting scenarios. We would love to have more of you write up some stages so they can be tried out on the range.

On Saturday October 22, at Camp Curry, there will be a short work session from 09:00 to 10:30 followed by a Stampede planning meeting. Please attend as we will be discussing and planning the facades and stages for Stampede 2012. Your ideas and opinions are valued and should be heard by the other members. Anytime you have ideas for a shoot or any other comments, please don't hesitate to email [nevadarangers@gmail.com](mailto:nevadarangers@gmail.com) or call me at 702-460-6393.

Ride easy,

Fargo SASS # 9435

### Looking Forward

---

The High Desert Epitaph is looking for articles for publication in the monthly issue. If you or your club has something of interest that you would like to share, please submit the item to Georgina at [georgina.nvrngrs@gmail.com](mailto:georgina.nvrngrs@gmail.com).

The monthly shoot in November will be a regular shoot. Sheriff John T Chance worked hard to make the Veterans Shoot happen for November but circumstances beyond his control prevented the event from happening. Our thanks to Sheriff John T Chance for his efforts in this worthwhile event. He has volunteered to work on the project again in 2012.
